

MARICOPA COUNTY DEPARTMENT OF TRANSPORTATION

Creating New Community Horizons

Traffic Signal Installation Carefree Highway and 7th Street

March 2008

Work Order #: TT 267

INTERSECTION IMPROVEMENT PLANNED

Starting **Wednesday, March 26, 2008**, the Maricopa County Department of Transportation (MCDOT) contractor will begin installing new upgraded traffic signals at the intersection of Carefree Highway and 7th Street. Improvements include the installation of protected left-turn arrows on Carefree Highway for both northbound and southbound travel onto 7th Street. The new "smart" signal will be equipped with under-the-pavement traffic detectors to reduce motorist delay, upgraded signal control cabinets with battery back-up to maintain operation during electrical outages along with pole-mounted CCTV cameras that will transmit real time traffic conditions to MCDOT's Traffic Management Center.

The installation is slated for completion in early summer.

TRAFFIC RESTRICTIONS

Be alert to changes in temporary construction signage and flag persons when driving through the construction zone. During the installation process, intermittent outside lane closures on Carefree Highway can be anticipated. Please allow yourself extra time when driving through the area, as there may be traffic delays. Access will be maintained for residents, businesses and emergency vehicles at all times.

Thank you for your patience and cooperation.
